

# Friends of Rogers Smithsonian-Certified Shade Grown and Bird Friendly Coffee Order Form

**All varieties of coffee are triple certified.**

Which means they are certified organic through both Quality Assurance International (QAI) and USDA, Fair Trade certified and Smithsonian Migratory Bird Center (SMBC) certified shade grown.

A SMBC certification means that it is certified to be organic and shade grown under conditions that are ecologically sustainable for migratory birds and their habitat. A win for birds, wildlife, diverse habitat, Friends of Rogers and you when you take your first morning sip.

Orders are due the 1<sup>st</sup> of February, May, August and November. Please include full payment with your order.
