

# Rogers After Dark

## EdVenture

Most animals like the night life and don't come out until the sun goes down. Get a glimpse of the true diversity at Rogers Center as we stroll along the trails, keeping our eyes and ears open. Find out why animals prefer the dark and what adaptations they have developed.

Limited headlamps will be provided, call Rogers Center to reserve yours.

*Recommended for ages 13 and up.*

**Member - \$4/individual \$10/family**

**Not-Yet-Member - \$5/individual \$12/family**

**WHEN?**
