

Friends of Rogers Smithsonian-Certified Shade Grown and Bird Friendly Coffee Order Form

All varieties of coffee are triple certified .

Which means they are certified organic through both Quality Assurance International (QAI) and USDA, Fair Trade certified and Smithsonian Migratory Bird Center (SMBC) certified shade grown.

A SMBC certification means that it is certified to be organic and shade grown under conditions that are ecologically sustainable for migratory birds and their habitat. A win for birds, wildlife, diverse habitat, Friends of Rogers and you when you take your first morning sip.

Orders are due the 1st of February, May, August and November. Please include full payment with your order.
